# لماذا يجب على المعلمين تطوير مهاراتهم التقنية؟ Why teachers need to improve their ICT skills?

The **digital skills** that teachers need have long moved on from just being able to use word processing and spreadsheets software. Digital skills that **21st Century** teachers should have included cloud storage and sharing solutions, social media, web editing, image editing, presentation software, and general multimedia. Teachers require extensive, on-going exposure to **ICTs** to be able to evaluate and select the most appropriate resources.

لقد انتقلت المهارات الرقمية التي يحتاجها المعلمون لفترة طويلة من مجرد القدرة على استخدام برامج معالجة النصوص وجداول البيانات إلى المهارات الرقمية التي يجب أن يمتلكها مدرسو القرن الحادي والعشرين. مثل وسائل تخزين المعلومات ومشاركتها على Cloud والوسائط الاجتماعية وتحرير الويب وتحرير الصور وبرامج العرض والوسائط المتعددة العامة. يحتاج المعلمون إلى تعرّض مكثف ومستمر لتكنولوجيا المعلومات والاتصالات ليتمكنوا من تقييم طلابهم واختيار أنسب الموارد لعرضها وتقديمها.

## Quizizz

Quizizz allows you to conduct student-paced formative assessments in a fun and engaging way

## Nearpod
